KT Educational Charitable Trust ("KTECT") is a philanthropic organisation committed to expanding bilingual (French-English) education in the UK. In support of this mission, KTECT has established the French Education Charitable Trust Scholarship (the "FECT Scholarship") programme for students attending Collège Français Bilingue de Londres ("CFBL"). The purpose of this programme is to attract and retain talented pupils based on excellence in academic achievement, bilingual proficiency, athletic or artistic ability, combined with positive contributions to school life, and also foster collaboration between Lycée International de Londres ("LIL") and the School.

Through the FECT Scholarships, KTECT is proud to support the next generation of bilingual leaders by removing barriers to excellence, talent and ambition. The FECT Scholarship programme reflects KTECT's deep commitment to educational access, merit and academic achievement, and supports the shared values of CFBL and Lycée International de Wembley.

Under the FECT Scholarship Programme, CFBL will award a limited number of scholarships annually to recognise student excellence and outstanding performance in academia, sport and music & arts and student exceptional efforts or contribution, when it is apparent that an individual's outstanding ability or efforts will assist other students to develop and improve due to the scholar's contribution to school life.

FECT Scholarships are designed to attract candidates and retain students with exceptional potential to the School.

FECT Scholarships will be awarded after a process of rigorous selection by CFBL's Selection's Committee. The final number and amount of scholarships awarded annually is a decision of CFBL's Selection Committee based on the quality of application received and the results of the tests undertaken under the application process. The Committee's decisions will be based on the recommendations made to them as a result of the application process.

The Selection Committee may decide not to award any or all FECT Scholarships available in any one year if they find applications received are not strong enough or if the proposed awards are not fully financed over their entire duration.

Scholars will be nurtured in their endeavours by the School and are, in return, expected to enrich the School not only in their specialist area, but also across the institution by upholding, modelling, and embracing its ethos and core values.

All FECT Scholarships are dependent on the very highest standard of behaviour, effort and attitudes to learning at all times. Throughout their time at the School, scholars are expected to:

- Meet the highest standards within the scholarship field for their particular age;
- Behave as role models to younger students and ambassadors for the School;
- Represent the School and provide a service to the School as deemed appropriate by the Headteacher;
- Commit to School events and functions, especially those related to their scholarship area;

- Demonstrate a commitment to developing their potential within their chosen areas.

CFBL will commit to:

- Encourage students to strive for excellence and help them achieve their goals.
- Help scholars in balancing their academic, sporting, art or music commitments by liaising with students, parents, coaches and specialist teachers.
- Support training and competition opportunities and commitments as appropriate.
- Promote and acknowledge students' successes within the school community.

CFBL, however, does **not** endeavour to authorise flexible timetables for students.

All FECT Scholarships are subject to an annual review against progress and effort. The School expects all scholars to be role models through their conduct and their positive contribution to life at CFBL and take a lead in the academic and extra-curricular activities of the whole School.

Students awarded an FECT Scholarship will be entitled to a reduction in school fees of a maximum amount indicated below, which will be applied on the last term of the School year. This will be applied for the duration of their scholarship, up to the end of their schooling at CFBL, but subject to annual review by the Selection Committee.

Although all students and candidates are eligible to the FECT Scholarship programme, a reduction in fees under the FECT Scholarship programme is (i) restricted to students paying the full School fees and will therefore not be available to: - students in receipt of a full or partial bursary, and - children of staff whose parents elected to benefit from the employee fee discount scheme and (ii) limited to one child per family at any one time.

Students may apply to several scholarships offered under the FECT Scholarship Programme but can only be in receipt of one scholarship at any one time.

All scholars will be expected to contribute to the life of the School and demonstrate commitment, dedication, and leadership in their respective field, as described in Appendix A.

All decisions on scholarships will be at the discretion of CFBL's Selection Committee, and will be final. FECT Scholarship awards will be subject to conditions that are stated in Appendix A. The Selection Committee will meet after the application and assessment deadlines to award scholarships. It will also meet annually to review all existing scholarships to approve their continuation, removal or amendment. The Selection Committee may withdraw a scholarship at any point in the year for one of the grounds set out in Appendix A.

The Selection Committee is composed of a Trustee, the Headteacher, the Deputy Heads to the Primary and Secondary School and, for the Sports, Music & Arts Scholarships, the relevant subject teacher.
